

NEWS AT "4"

This Month in the 4th Grade!

Happy fall! Although we are already quickly approaching our first extended break of the year, it is imperative that our scholars remain focused as we continue to practice necessary reading, writing, math, and science skills. Below are the skills we are focusing on this month:

Reading: Long and Short Vowel Sounds, Theme, Main Idea & Key Details, Text Evidence

Writing: Capitalization, Punctuation, Writing a Complete Sentence and Paragraph

Science: Soil Composition

Math: Subtract and Add Multi-Digit Whole Numbers with Regrouping

Concerns

The 4th grade teachers have major concerns with some of our students' academics, as well as behavior. We are noticing an increase in negative behavior and would like the support of our parents to ensure our scholars remain on track in order to progress throughout the year. Here is a list of ways to communicate with your child's 4th grade teacher(s):

- Contact the school or send a note with your scholar to set up a conference with your child's teacher that is feasible for you.

SELF-CONTROL
 Choosing to do what is right
 when I feel like doing wrong

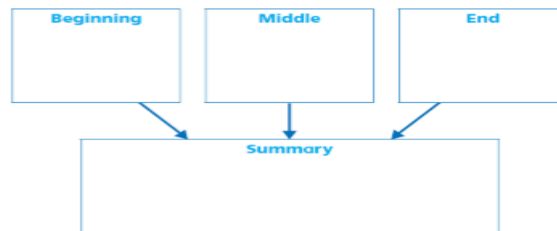

Important Dates

- October 5th – Eagle Buck Store, Intersession Break starts
- October 22nd – Students return, Intersession Projects due

Strategies for Home

Exposing scholars to a wide range of informational texts or fictional books and reading with them for at least 30

minutes a day will be extremely beneficial. Graphic organizers such as the one below will also assist your student with organizing their thoughts as they read or solve problems.

Teacher Shout Outs

Students of the Month: Self-Control

Sariyah Chance

Sariyah is one of the most respectable students I have ever met. Although things in her class may get a little chaotic, she ensures that she does not engage in anything that does not meet the teacher's expectations. Sariyah also shows self-control by completing her assignments and making sure her behavior is always top-notch. Congratulations Sariyah, we are proud of you!

Paige Miller

It has been a pleasure to have Paige Miller in my class. She is an excellent scholar and has demonstrated strong core values of self-control. She has the ability to regulate her behavior in the face of temptations and impulses. Paige is a student who I know that I can trust. Congratulations Paige, we are proud of you!

William Ellis

William is a student who demonstrates self-control throughout each and every day. When an opportunity arises to do the wrong thing or join in with unfavorable behavior, William chooses otherwise each time. He always has great manners and is sure to focus on his work during instruction, even if others aren't. Congratulations William! We are super proud of you!

Parent of the Month: Mr. Stowe (Anthony Stowe's Father)

Although Mr. Stowe has only been a part of our Furman Family for 3 weeks, he has been SUPER supportive. He has made sure to be super accessible, and anytime that we have called him, he has made sure to come to the building to support us, regardless of what his schedule is. Thank you so much Mr. Stowe and the House of Perseverance truly appreciates you!
