

Furman L. Templeton

Fifth Grade Gazette

3rd Floor: Rooms: 302, 308, 310, & 311
410.396.0882

Hello Furman Family!! Middle School Choice is fastly approaching. On December 01, 2018 application and information booklets will be distributed to the schools. On December 08, 2018 the Middle and High School Fair will be held. Location for the event will be forthcoming. If you are interested in going or need further information, please see our Middle School Choice Liaison, Ms. Small.

Mrs. Hill (5-2, Mathematics)

Ms. Hall (5-1, Reading, Writing and Language Arts)

Ms. Wallace (5-3, Science and Social Studies)

Ms. Castillo (4-4 and 5-4 Special Education)

Homework

Many of you have expressed concern about homework not being given on a consistent bases. Please be assured homework is distributed every day from all classes. It is even given on Fridays. No scholar should be coming home without it.

Parent-of-The-Month

Our parent-of-the-month is Ms. Velma Moseley. Ms. Moseley can be found each day in the cafeteria lending a helping hand. Once she is finished with that task, she travels from class to class to ensure each teacher has what they need. If there is a need, she does what she can to fulfill that need. She has been a faithful partner with this school for over 15 years. We could not find a more deserving person to receive this recognition.

Upcoming Events

November 6

General Election

November 21 - 23

Thanksgiving Holiday

November 29

Picture Day

November 30

House Meeting

Fun Fact-

The word

"hundred" used

for the number

100, is actually

derived from the

word "hundrath"

in Old Norse,

which means

120 and not

100!!

Content Worthy!

We are having an exciting time in mathematics!! We have just completed our units on multiplication and division fact masters. We will be using this knowledge to help us be successful in our upcoming units. We are currently working on multi-digit multiplication. Please continue to have your scholar study the multiplication facts and work on their i-Ready program. These things will help them become mathematical masters.

We are working on improving and completing our units in reading. Currently we are engaged in becoming more successful with our reading comprehension skills and having conversations based on text evidence. To support fifth grade growth please have our scholars read and discuss a book or article so that they can become more engaged in responding to text.

We are now in the second quarter. We have left space and are getting closer to Earth. We are moving closer to our planet! This month we will be learning about Earth's atmosphere and how the Earth is heated. Your scholar will participate in many experiments. Please continue to ask them what they learned in class to reinforce their learning.

Formatted Table

Community School News

Eagle Bucks

Scholars earn bucks for:

- On time attendance
- Uniform
- Homework (all classes)
- Behavior in classroom and specials

House Meetings

House Meetings are held the last Friday of every month from 11:50 a.m. to 12:35 a.m. Come join us!!

Student of the Month:

Value: Perseverance

Raheim Everance (5-1)

Miracle Moseley (5-2)

Treasure Monk (5-3)

Lauryn Jeffries (5-4)

Perfect Attendance

The following scholars are saluted for having perfect attendance for the month of October:

Daniel Gibson (5-3)	Elijah Jones (5-3)
Brianna Lawson (5-3)	Ryheem Parker (5-3)
Rolando Murphy (5-3)	Janeria Wilson (5-3)
Kendall Williams (5-3)	Leeyona Branch (5-1)
Khandis Noel (5-1)	Raheim Everance (5-1)
Taylor Walker (5-1)	Jeremiah Dutton (5-02)
Sincere Clary (5-2)	Dai'on Jordan (5-02)
Anthony Swann (5-02)	Amar White (5-02)

We salute these scholars and their parents for their commitment to education.

Parent Tips:

We all want our scholars to be successful on any and all assessment (class assessments, i-Ready, MISA, and PARCC). Therefore, we must offer tools that will assist them in making our want become a reality. These test taking-tips can and should become part of their test-taking toolkit.

1. Get a good night's sleep every night.
2. Eat a high protein breakfast and drink plenty of water.
3. Eliminate negative thoughts and replace them with positive thoughts such as "I am ready for this test", "I will do well", "I am smart", "I'm prepared for this test", and "I can do this."
4. Concentrate on being calm and not stressed.
5. Mentally revisit the things you know and apply them to the test.
