### Reminders

Please read to your child  
every day!

Please practice sight words  
every day!

-Introduction to addition

-writing numbers

*Science:*

-Spring and Plants (Weather, activities to do in spring, how to dress in spring, etc.)

### **Tips to Use at Home**

Here are some great resources to use at home:

-Sight word flash cards! Knowing sight words is an essential part of learning how to read. Make flash cards to practice at home so your child is confident identifying sight words at school!

-Practice writing your scholar's name. This month we will start learning to identify and write last names. Practice at home by calling your child by their whole name. Write their last name with a highlighter and let your child trace it with a pencil.

## **Students and Parent of the Month**

### *Ms. Brock's Student of the Month*

Ms. Brock and Ms. Crosby are pleased to announce that Dallas Johnson is our student of the month! Dallas shows compassion to her peers and teachers daily by offering kind words and a hug if someone is sad. Dallas is kind to all she meets, and stands up for students who are being bullied by others. She is always willing to offer a helping hand if someone needs help with a task. Congratulations, Dallas!

### *Ms. Arney's Student of the Month*

Our student of the month from Ms. Arney's, Ms. Howard's and Ms. Goodwin's class does an excellent job of modeling compassion by showing care and concern for her classmates. This student is quick to help friends by getting them supplies they may need or helping them load a backpack. She likes to make sure they do not miss out on anything. She may even bring over a student's milk to get the teacher to help open it for them. So if she can't solve their problem herself, she alerts a teacher on their behalf. We appreciate her kindness to her classmates. His student is Makhya Britt. Thank you Makhya for being an excellent example of compassion.

Sincerely,

The Pre-K Team
